

Equipment List for Locals Mountaineering Course - 3 days

The first day is based at local Wanaka crags so general cragging clothing and approach shoes are all that are required. For the days in the Remarkables a full range of conditions and temperatures can be expected and participants need to be suitably prepared. Your guide will do a comprehensive gear check at your pre-trip meeting. Depending on the weather and conditions, there may be an option to bivi or camp out for one night in the Remarkables.

Below is a checklist of required equipment. Further detail is available in the equipment detail information accessed from the [Locals Mountaineering Course](#) page on www.aspiringguides.com. If you have any questions about the equipment list, please be sure to contact us at climb@aspiringguides.com.
